Mr. Ed. Gottlieb,
509 Market St.,
Philadelphia, Pa.

Dear Gottlieb:

I talked to Iannarella on the phone yesterday and told him to tell you to send Counsellor Robert Hartgrove, 576 Newark Ave., Jersey City, N. J. the information about McHenry, his name and where he is located, if you know it, and how much money he owes you, and had he signed a contract. He seems to feel he will be able to bring those fellows back.

We are playing Cincinnati in Trenton August 4th, as you know. Will any of the League umpires be around Phila idle? Please send them to Trenton for me. Leuschner is going to try to place both of us the 5th. I would like Cincinnati to have something to do, as they are so far from home. I would really preferred to have given them Chester, so try and see what you can work out.

Very truly yours,
